

As the 2024 President of Ocala Business Leaders (OBL), I am thrilled to lead such a remarkable group of individuals. I am looking forward to a year filled with growth, and opportunities to give back to our community. I'm often asked about what sets Ocala Business Leaders apart from other networking groups in the area. OBL is not just a networking group; as a 501(c)(4) organization, we are recognized by the IRS as a social welfare organization.

We have proudly supported organizations such as Champions for Champions and the Southeastern Youth Fair in the past year. My vision for 2024 is to further expand our group and enhance our fundraising campaigns, thereby increasing our opportunity to give back to charitable organizations that benefit our community.

If you own or manage a small business in the Ocala area and are seeking opportunities for growth and community engagement, I invite you to join us for breakfast on Wednesday mornings at the Ocala Golf Club.

In conclusion, I want to emphasize that our organization is not just a collection of members but a vibrant and dynamic community driven by shared values and objectives. Together, we can continue to achieve great things and make a positive impact.
